DAYCARE AND REHABILITATION CENTRE FOR CHILDREN WITH SPECIAL NEEDS

A New Beginning: Parents' Orientation Day

Hope for Life Foundation (HLF) organized an Orientation Day for the parents of newly enrolled students, marking a warm and meaningful beginning for our new families.

The event was inaugurated by our respected Chairman, **Mr. Sadif Juddani**, who warmly welcomed the students and their families to the HLF community.

During the session, parents were introduced to the school's rules and regulations, attendance and punctuality requirements, discipline, safety guidelines, and communication procedures.

The orientation emphasized the importance of strong parent-teacher collaboration in supporting each child's educational journey. The session concluded with an interactive question-and-answer session, allowing parents to clarify their concerns and gain a better understanding of the school's practices and support systems.

HLF warmly welcomes all our new students and parents to the HLF family!

An Open House at HLF

Hope for Life Foundation (HLF) recently welcomed visitors to our new premises for an Open House, offering guests an opportunity to explore our new location and learn more about our work and services.

During the visit, guests toured various classrooms and facilities, including our learning spaces, therapy areas, and other essential facilities. They also had the opportunity to interact with our dedicated teachers and staff, ask questions about our programs and classroom activities, and learn more about the support we provide to our students.

The Open House was a wonderful opportunity to share the progress we have made and offer visitors a glimpse into the everyday environment at HLF. We were delighted by the interest and appreciation shown by our guests as they explored our new space and learned more about our students and their learning journeys. It was a meaningful day filled with connection, conversation, and sharing. We look forward to welcoming more members of our community to HLF in the future. Together, we continue to build an inclusive, supportive, and nurturing environment for every child. ❤️

Celebrating the Spirit of Freedom – 14th August 🇵🇰

The spirit of freedom, unity, and patriotism filled Hope for Life Foundation as we celebrated Pakistan Independence Day with great excitement and enthusiasm.

Our students brought the celebration to life through beautiful patriotic songs, energetic performances, heartfelt speeches, and engaging activities. Dressed in green and white, they proudly waved the national flag and participated with remarkable enthusiasm.

The smiles, confidence, and joyful performances of our students made the occasion truly special. As their voices echoed with patriotic songs, they reminded us that the future of Pakistan lies in the hands of a generation filled with hope, courage, and dreams.

The day was not just a celebration of independence, but a celebration of unity, hope, and the limitless potential of our children.

May our beloved Pakistan continue to shine, prosper, and inspire generations to come.

Pakistan Zindabad! 🇵🇰

Shahwaiz Naeem – A Role Model of Courage & Determination 🏆

A special faculty session was recently held at Aga Khan University (AKU) in conjunction with the celebration of Pakistan Independence Day.

Our proud student, Shahwaiz Naeem, who recently became the SOP Regional Games Champion, was invited to share his inspiring journey and motivate students with intellectual disabilities.

During the session, Shahwaiz spoke about his experiences, achievements, and the challenges he overcame. His story encouraged students to believe in themselves and embrace every opportunity with courage, determination, and confidence.

We are incredibly proud of Shahwaiz for becoming an inspiration to others and demonstrating that with dedication and perseverance, every dream is possible. Keep shining, Shahwaiz! Your journey continues to inspire us all. 🌟
