Deaf/HI Awareness Month — Living with Honor and Dignity

In connection with Deaf/HI Awareness Month, Sr. Speech Therapist Ms. Imrana Shakoor and Jr. Speech Therapist Ms. Taranum Ara conducted an informative and meaningful awareness session at Hope for Life Foundation under the theme “Living with Honor and Dignity.”
The session aimed to raise awareness about Deaf and Hard of Hearing (Deaf/HI) individuals, emphasizing the importance of understanding, inclusion, and respectful communication.

Parents participated enthusiastically, actively engaging in discussions and asking valuable questions about Deaf/HI, communication, and ways to better support their children. Their involvement made the session interactive and meaningful.

Celebrating the Birth of Prophet Muhammad (Peace Be Upon Him) #بارہ #ربیع #الاول #ﷺ

At Hope for Life Foundation, we believe that religious values play an important role in shaping character, promoting compassion, and guiding individuals towards a life of kindness and righteousness.
To commemorate the blessed birth of Prophet Muhammad (peace be upon him), the centre organized a spiritually uplifting event to celebrate his life, teachings, and the timeless message of mercy, love, and unity he brought to humanity.

The event served as a meaningful reminder of the Prophet's exemplary character and his teachings of compassion, patience, respect, and care for others. His life continues to inspire us to embrace kindness, strengthen our bonds with one another, and follow the path of righteousness in our daily lives.
At Hope for Life Foundation, we strive to nurture these values in our children, encouraging them to practice kindness, respect, and compassion in their interactions with others.
May the teachings of Prophet Muhammad (peace be upon him) continue to inspire us to build a world filled with peace, love, understanding, and humanity.
